AMENDMENT

Honorable Commissioner of  
Patents and Trademarks  
Washington, D. C. 20231

Sir:

In response to the Official Action dated April 2, 1996, please  
amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims as follows.

1. (Thrice amended) A digital entertainment terminal  
comprising:

a network interface module for coupling the terminal to a  
communication network, serving a plurality of information service  
providers, for receiving a digital broadband channel and providing  
two-way control signaling communication between the terminal and  
the network;

a control processor controlling operations of the terminal and
